This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Charleston Portable Storage, L.L.C. (Charleston Portable or the Company) pursuant to Commission Regulation 103-852 for permission to take deposition by oral examination, for all purposes allowed by the rules, of Patty Kendle of Agent Owned Realty as being qualified to testify as a shipper support witness to the subject matter of Charleston Portable's application.

Regulation 103-852 states that any party of record to a proceeding may, by filing written request at least ten (10) days prior to the commencement of hearing, ask this Commission for leave to take the testimony of any witness by deposition. If this Commission deems the request meritorious, it may issue an Order containing certain information, such as the name of the individual whose deposition may be taken, the subject matter of the examination, and setting forth the time and place of such deposition, and whether it will be written or oral examination.

Charleston Portable's deposition request, filed November 16, 2001 by representing counsel, asked that if approved, that the deposition be taken Tuesday,

November 20, 2001, beginning at 2:30 p.m. in the office of counsel for Charleston Portable. The request further provided that the deposition was expected to last no longer than one hour, and that the witness, a court reporter and Charleston Portable's counsel would be in attendance. Additionally, it is anticipated that counsel for the Commission would be available by speakerphone during the deposition.

We find the request meritorious and timely filed in this instance. The deposition shall be held Tuesday, November 20, 2001 at 2:30 p.m. in the law office of Charleston Portable's counsel, and counsel of the Commission shall be available via speakerphone for this deposition.
